Everything you need to manage and organize your firm, including:

CASE MANAGEMENT

Stay organized and manage your cases—from anywhere, at any time, with Clio's comprehensive case management software. Ensure every detail from every matter gets captured, categorized, and updated in real time (across all your firm's devices).

DOCUMENT MANAGEMENT

Edit, store, and organize documents securely in the cloud. Clio Manage provides unlimited document storage, advanced document editing, and document automation—so you can reduce clutter, save time, and leave your briefcase behind.

TIME & EXPENSE TRACKING

Record all your work and track all your expenses—from all of your devices. No matter your firm's billing structure, Clio Manage helps you meet your billable targets and understand where your time and money is going.

BILLING

Make life easier, for your firm and clients. Complete end-of-month billing in minutes, reduce manual data entry with custom payment plans—based on fee structure—and get paid faster by sending bills via email or Clio's secure client portal.

ACCOUNTING

Make timely, accurate, and profitable business decisions—and comply with legal industry regulations. Manage your trust accounts with confidence, understand your firm's financial health, and connect your favorite accounting tools.

ONLINE PAYMENTS

Give clients the secure, fast, and easy payment method they want; get paid faster and improve collection rates with Clio Payments, Clio Manage's built-in credit card processing functionality, powered by LawPay.

CONTACT MANAGEMENT

Deliver a superior client experience by managing all your contacts—clients, companies, outside counsel, witnesses, vendors, and others—so you never miss an important interaction or deadline.

FIRM DASHBOARD

Get unique insights on how your firm is performing—all on one central, easy-to-use dashboard. Take your firm to the next level by identifying opportunities to improve productivity, efficiency, and revenue across your practice.

CALENDARING

A legal calendar that does more than just scheduling. Stay organized on-the-go with calendaring software built for lawyers, connected to your matters, clients, and work. (Syncs with Clio Scheduler in Clio Grow to create a seamless appointment-booking experience.)

TASK MANAGEMENT

Redefine what “productive” means to you. Get more done—individually and as a team—by organizing to-do lists, observing task progress, and managing your team’s workloads.

INTEGRATIONS

Save time, eliminate data entry, and get more done in a day. Sync Clio Manage with your existing tools—or discover new ones—including QuickBooks, FastCase, Outlook, Microsoft Office 365, and more than 180 others.

THE CLIO ADVANTAGE

Get more than just software. With Clio Manage, you’ll benefit from Clio’s industry-leading security, extensive referral network, and award-winning 24/5 customer support.
