Tap and Support Event

A Virtual Reception and Beer Tasting

Funds will support the **Diversity & Inclusion Fellowship in Environmental & Energy Law**

The Environmental and Energy Law Section's Diversity & Inclusion Fellowship Program is designed to encourage diverse law students to enter the field of environmental and energy law. The selected Fellowship recipient receives a stipend to spend the summer working on legal matters for a government environmental or energy agency or public interest environmental organization in New York State. EELS began this program in 1992 and appreciates your support of this Fellowship.

Registration Fee – \$75

The registration includes a sampler pack of New York beers shipped to you in advance of the event that will include a guided tour of New York craft brewing and a sampler six pack selected for EELS members by Fathey Beer Co. A portion of this registration fee will support next year's Diversity and Inclusion Fellowship program.

\$75

Registration deadline: January 10. Registrations received after deadline will not allow time for shipping the beer sampler pack.
