

ELDERCOUNSEL™

EXCELLENCE IN ELDER LAW AND SPECIAL NEEDS

SAVE TIME AND MONEY WITH A
COMPREHENSIVE AND EFFICIENT
DRAFTING SOFTWARE.

ElderDocx®
makes document
assembly an
intuitive process
that will help
streamline your
entire business.

ELDERDOCX PROVIDES:

- The ability to rapidly draft complex documents
- Design sheets and updated case law
- State specific documentation
- Accurate, precise, and consistent formatting
- Annotated documents with the option to see client summaries for each article and legal-technical footnotes to give the attorney more details about various trust provisions
